Place your order online then follow the steps below and send the completed design form in with your items.

Gather your clean items.

If we can put a needle through it, we can use it shirts, sweatshirts, jerseys, pants, and more!

Complete your design form.

We preserve your memories based on your selections. There is a separate design guide for blankets and one for quilts.

Design and layout your order.

Using the numbers on pg. 4 and the Layout Guide below for accuracy, tape a numbered square on the side of the shirt you want to use. Scotch tape works best! Avoid using packing or duct tape.

Please email or attach a photo of your layout. We will follow your photo when preserving your memories. If we do not receive a photo, we will follow your layout numbers.

An additional \$25 charge will be applied if your order is not laid out, if we have to contact you for layout clarification, or if you would like us to layout your order.

Include special instructions.

Write any special instruction on page 5. An additional \$20 fee will apply to **blanket** orders with special instructions. This fee is waived for quilt orders.
